**You have been gifted a 12-month
Peppermint Magazine subscription!**

FROM:

Your subscription will begin when the next issue goes on sale, and will be mailed to your door quarterly throughout the next 12 months. How lucky are you!

Peppermint is an Australian quarterly print magazine focused on style, sustainability and substance. As a small, independent publication that covers slow food, ethical fashion, natural living, health and beauty, diversity, climate action, social entrepreneurs and more, *Peppermint* tells real stories with authenticity and passion. Each issue is designed to empower you to live a better, more meaningful and more authentic life. In this fast-paced world, we feature slow, timeless content that endures – so readers can take joy from each issue for many years to come.

We hope you love your gifted magazines as much as we love creating them!
